1

Control Costs.

Secure discounted rates and control costs by connecting to our large fully vetted carrier marketplace for all your shipping needs. With us you get the right carrier, right route and significant savings.

2

Time.

Quickly access all shipping options, modes and equipment 24/7 from one central online location. Easily compare rates from local, regional and national carriers with our unique shipping platform.

3

Convenience.

One stop for all your shipping needs. Enjoy the convenience of managing your shipping process in one place. Our technology centralizes everything, giving you the functionality to quote, book, track and manage paperwork.

4

Simple.

We deliver solutions to simplify your shipping process. Our goal is to help your business thrive with an easier, faster and more efficient shipping process that gives you more time to focus on your business.

5

Expertise.

FreightCenter “Shipping Handled” means you will always have shipping and logistics experts at your side to guide you. Our experts help ensure that your cargo gets from point A to point B when and how you need.

6

Reliability.

We help you meet customer delivery expectations and improve customer satisfaction by making sure your shipments get there safely & intact. Book shipments with confidence and get expertise you can rely on.

7

Customized Solutions.

We get to know you and work with you to analyze your transportation needs and develop a customized transportation strategy delivering the best value for your business.

8

Tools & Resources.

Lower headaches and the potential for costly billing adjustments by using our free [tools and resources](#) including our Freight Class Lookup Tool and Density Calculator.
